

Overview

Thanks to its circular shape, the Secabo removable plate with cm15 cm can be used ideally for complicated objects with special requirements, in particular plates, plates and similar transfer objects. Suitable for the Secabo heat press models TC5 / TC5 SMART, TC7 / TC7 SMART, TPD7, TPD7 PREMIUM and TS7 / TS7 SMART. The optional mounting kit is required for use without a quick-change system. With TPD7, TPD7 PREMIUM and TS7 can only be installed when used with a quick coupler. With a Secabo quick coupler, the removable plate can be replaced in seconds and allows objects to be pressed in the smallest possible area. This protects surfaces and other transfers.
