

Overview

With the quick-change system - depending on the heat press model - up to three exchangeable base plates can be mounted on to the press and can be changed within a few seconds. Available for the heat presses TC5, TC7, TPD7 (up to 2 x 3 exchangeable base plates on 2 quick-change-systems) and TS7. Exchangeable base plates must be ordered separately. Included is an adapter for mounting on the original base plate on the quick-change-system. The special beam technology enables you to comfortably cover garments over the base plate.
