

VINYL CUTTER **Tool Console**

Overview

The Secabo Vinyl Cutter Tool Console is a new product developed from the house Secabo with innovative design. This practical aid makes it easier for you to keep things in order. Whether you store their knife holders, pen holders for the cutting plotter, the Secabo Table Tool Console is ideal for this. A small but practical accessory for all common knife holders, pen holders or grooving tools of the cutting plotters or flatbed plotters of the brand Secabo. Also spare blades can be stored here in the best way. Suitable for all Secabo cutting plotters that are equipped with a collection basket in addition to a stand. The Secabo Vinyl Cutter Tool Console can simply be attached to the side of the holder of the collection basket. Here Secabo has contributed its many years of experience in the field of advertising technology and textile finishing as well as from the intensive exchange with users. With the Table Tool Console from Secabo you can organize your workplace a little better than before.
