

DRAWCUT

Overview

Upgrade from an existing DrawCut LITE license to DrawCut PRO. Upon purchase, you will receive a code to upgrade to DrawCut PRO at <http://buy.draw-cut.com/?edition=3>. Please enter your DrawCut LITE serial number on the page. The payment is made by voucher with the code that you find on your bill. After upgrading, you will receive an email with your new DrawCut PRO serial number. You can then download DrawCut PRO at www.draw-cut.com. Software products are generally excluded from return.
